What is Course Evaluation?

A Course Evaluation is a paper or electronic questionnaire, which requires a written or selected response answer to a series of questions in order to evaluate the instruction of a given course. The term may also refer to the completed survey form or a summary of responses to questionnaires.¹

My Comments / Evaluation on Formational Leadership Course.

The best about this class is: · A good class, good atmosphere and we learn something new all the time. I like the fact that he was able to answer questions when needed. · What I liked best about this class was the big project we did. · I can enjoy this class. Study was very comfortable. · The class gives me chance to know how to improve my leadership ability. I like how Prof Johns made the class interesting and enjoyable. He really explains all the materials in full details. · Fun class and projects that were like evaluation that helps me really know if I want to be a spiritual leader. Prof Johns keeps it simple and very understandable. Doesn't make things complicated straight to the point great Prof. Johns · Overall this class was okay. · I learn better ways to solve problems. This class was very relaxing. A refresh my memory of many things I learned in high school that I forgot. What I like best is that gave me an opportunity to come to class on time and learn something new. I liked best was help was always available for me whether it was during class outside of class or online. The professor taught material well, I learned what was needed to improve my knowledge. I like his jokes. I had to relearn what I already know. But overall the class was okay. I like that he was funny and made me feel comfortable and most importantly all lessons were well planned and organized. The professor's dedication to the subject. I learned a lot, the class was taught well in Interesting. What I like best about this class is that the instructor starts and finishes class on time. The professor was cool about everything. I honestly really enjoyed everything about the course, What I like best about the classes the teacher is organized and very clear in presenting the work. · But I like the most about this class was the way this instructor gave the class. · Yes, because he is easy to understand. I would recommend this instructor to a friend because he can be funny and serious at the same time. Great teacher and is understanding. I'm not sure. Because my English is not well to talking. But Prof. is very funny and nice. · I would recommend this professor to a friend because he is really good at explaining things.
